Second Rounding

Do You Know?

COINEX™ Cards, with network services provided by LCI, automatically round your calls to the nearest 6 seconds* – NOT one minute like other prepaid calling cards.

For example: If you talk for one minute and six seconds (domestically) your calling time is reduced by one minute and six seconds – NOT TWO minutes. Simple, Fair and Inexpensive is what makes LCI and COINEX the consumer's choice in prepaid calling.

* After initial minute.

PATENT PENDING

Card expires 1 year from date of purchase. Minutes remaining announced prior to every call.
